. Mechanism/Norms and procedure for democratic/ good governance

The institute has well set hierarchical governance and administrative set up. The Governing body comprising of well qualified professionals who possess a great vision. The Gokula Education Foundation, the umbrella organization under which our institute operates, has a standing of 59+ plus years. The processes are well defined and continuously improved according to the changing situation. It is believed that excellence is a journey and not a goal. Principal with the help of Senior Administrative Officers, HoDs, Section Heads takes ideas to the Governing Body. The Governing Body, of which Principal is a member makes progressive decisions for the continuous improvement of the institute. The decisions of the Governing Body are implemented by the faculty, staff under the guidance of the Principal. The administration believes in using technology for the fast and fair implementation of policies. The budgeting, accounting and auditing are rigorous exercises at the institute for maintaining transparency.

It is believed that human resource is the greatest asset of the organization. Importance is given to the wellbeing of staff in all its decisions. Many direct and indirect benefits are extended to the employees. Merit is the main criteria for the appointment and promotions. Ample opportunity is provided to faculty and supporting staff to improve their knowledge and skills.

Student Feedback on Institutional Governance / Faculty performance

A student feedback mechanism is available in the Institution. Once in a semester, the students provide the feedback of staff in the prescribed format. It is collective online mode through the Student Feedback System

Grievance Redressal Mechanism for Faculty, staff and students

The management of the college follows an open system of administration and grievances from staff and students are given the utmost attention. Complaints and suggestion boxes are kept at a number of places in the campus and also in the hostels.

The suggestions and complaints are carefully looked into and remedial measures undertaken. Responses are also publicized through notice boards. In case of indiscipline, a committee appointed by the principal enquires into the matter by calling witnesses and recommendations are made about the action to be taken by the management.

Grievances regarding the staff in terms of salary, promotions, etc., are carefully looked into by the HR department in consultation with the Principal, and remedial measures are taken.

Class Committee meetings are held in which student grievances are noted and remedial measures taken.

Institution's Innovation Council (IIC)

IICID: IC201912534

Journey of IIC established at the Institute

Our college has established the Institution's Innovation Council (IIC) in the year 2020-21 for promoting different activities related to innovation, IPR, start up and entrepreneurships. Faculties and students are the members of IIC. The IIC cell conducts quarterly meetings in every quarter to plan the quarterly activities and review quarterly conducted activities. Due to these activities, students get a chance to participate in various innovation related initiatives and competitions organized by MHRD. Students actively interact with renowned businessmen and academicians. They get opportunities to nurture their ideas. MSRIT's IIC helps students to experiment with the latest technologies to get some prototype for building their confidence. Overall students get an extremely healthy environment right from ideation to start-ups. Major focus area of IIC is to create a vibrant local innovation ecosystem, Start-up/ entrepreneurship supporting Mechanism, prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework (ARIIA), Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas and develop better Cognitive Ability amongst Technology Students.

Mission:

- To establish an ecosystem to nurture the culture of Innovation amongst the Students and Faculty.

Vision: (As laid down by the MHRD, Govt. of India)

- To conduct various innovation and entrepreneurship-related activities in time bound fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
- Organize Hackathons, idea competition, mini challenges etc. with the involvement of industries.
