This is with reference to the following UG program of your institution which were granted provisional accreditation as detailed below:

Sr. No.	Programs_Names	Format	Duration
1	INSTRUMENTATION TECHNOLOGY	Tier I	2 YEARS W.E.F. 01-07-2016

In this regard, this is to inform that NBA has since revised the period of award of accreditation, i.e., Provisional Accreditation of 2 years has been revised to 3 years and the full accreditation of 5 years has been revised to 6 years for UG Engineering Programs. The revised duration will be applicable for all the programs being considered for accreditation under outcome based format.

To implement the same, it has been decided that the UG Engineering programs which have been provisionally accredited will be given an extension of accreditation by one more year subject to the condition that the program fulfils the pre-visit qualifiers.

In view of the above, you are requested to submit the pre-qualifiers for the programs mentioned above as per the proforma attached with this mail within 30 days of the receipt of the mail.

Please send the Pre-Qualifiers at pre-visit@nbaind.org.

Regards
 Member Secretary
 National Board of Accreditation
